REPORTS FOR DECISION

ITEM NUMBER 4.1

TITLE Milikapiti - Community Projects Listing

REFERENCE 197369

AUTHOR Maina Brown, Governance & Compliance Manager

At the last meeting (28 June 2016) members discussed and reviewed a number of possible community projects. We have now prepared an updated list of proposed projects for further discussion at today's meeting.

BACKGROUND

\$ 69,004.00 in funding has been received by Council for last financial year (14/15) allocated to the Milikapiti Local Authority for Community Projects.

An additional allocation of \$69,004.00 was received for the financial year (15/16).

This therefore provides the Milikapiti Local Authority with a total funding pool of \$ 138,008.00 to 30 June 2016.

The Department of Housing and Community Development (DHCD) has recently released an additional allocation of \$ 69,004.00 for the current financial year (16/17).

The Dept. Local Government and Community Services (DLGCS) has confirmed that these funds (LAPF) must be fully expended within 2 years from receipt of the funds, failure to do so may result in the DLGCS requesting the funds to be repaid.

It is important that the MLA commits an amount of \$69,004.00 from the financial year (14/15) by 30 June 2017.

The MLA Community Projects Listing will continue to be used for projects (under discussion) as this seems to be the best way forward in administering these projects.

General Managers will be in attendance today to provide further estimates and information on the various project options to members.

An A3 size version of the MLA Unapproved Community Projects Listing and Approved Community Project Listing will be handed out on the day.

The aim of today's meeting will be to try and finalise some indicative estimates for these possible projects and to then refer them to the Regional Council for approval to proceed.

RECOMMENDATION:

- 1. That the Milikapiti Local Authority reviews and updates the Community Projects Listing,
- 2. Notes the funding allocations for 14/15, 15/16 and 16/17,
- 3. Recommends any projects to Council for approval to proceed.
