### PURPOSE

This report informs Council of the resignation of the principal member, Mayor Pirrawayingi.

### BACKGROUND

On Tuesday, 15 August 2023, the Chief Executive Officer (CEO) received resignation by written notice from Tiwi Islands Regional Council principal member Mayor Pirrawayingi.

Mayor Pirrawayingi's written notice states he is resigning from

- a) the office of the principal member, and
- b) the office of an ordinary member

The date of the resignation specified in the notice provided to the CEO is Friday, 18 August 2023.

### ISSUES/OPTIONS/CONSEQUENCES

The resignation of Mayor Pirrawayingi will result in a casual vacancy in the office of principal member and the Pirlangimpi Ward.

As appointment was the basis for filling the office of principal member and the casual vacancy has occurred three (3) months or more before the next general election, existing members must vote to appoint a member to fill the vacancy.

While the office of a principal member is vacant, it is the role of the deputy principal member, Deputy Mayor Leslie Tungutalum, to carry out any of the principal member's functions.

Council must also hold a by-election to fill the vacant Pirlangimpi Ward position, as it is eighteen months or more before the next general election.

The NT Local Government Act 2019 requires a by-election to be held within four (4) months of the date of resignation.

### CONSULTATION & TIMING

At the time of writing this report, a date for the election of the appointment of a principal member or the Pirlangimpi Ward by-election has not been set. Following discussion with the NT Electoral Commission, the by-election date will be set.

### RECOMMENDATION:

**That Council note the report Resignation of Principal Member for information.**

**ISSUES/OPTIONS/CONSEQUENCES**

Most of the projects have been historical. The funding bodies are following up on the project status and new anticipated timelines for the completion of these projects.

Consultation and timing have been minimal due to the short notice periods and the historic nature of these projects have been pending.

**RISKS**

Most of the larger projects require a dedicated Project Manager or External Contractor in the field of expertise to undertake the project. Consultancy or Contractor fees have the potential to risk the project going over budget as these fees are not eligible expenditures in the grant.
