To the Tiwi Islands Regional Council Mayor and Councillors,

I am writing to you regarding sponsorship of the Tiwi Bombers for season 2020/21. As you would be aware with Covid 19, a lot of businesses have been affected making extremely hard to attract sponsorship. We have a real battle on our hands to compete but are committed to do so.

As part of push from our coaches and board we are encouraging our Melville based players to attend training at Wurrumiyanga every Thursday as a group. We have also managed to maintain our 4 home games at Wurrumiyanga, which is fantastic for the community on the Tiwi Islands.

With these come cost to the club, we are hopeful that the Tiwi Islands Regional Council maybe able provide use of the boast shed after hours one day a week and also use of the oval for the 4 home games as part of an in-kind sponsorship. As part of this we will add your logo to our footer as well as our polo shirts and singlets. We would also like to work together to support council events in any way we can.

Thank you for your consideration and your continual support of the Tiwi Bombers, it is critical to our survival.

Any questions can be directed to my self on the above contact details.

Yours truly,

Leigh Crossman – General Manager
